

Add some fun and challenge into your week with Teaching and Learning Mission cards.

Purpose – To develop and share teaching and learning ideas

How to use

Print out T&L mission cards and laminate.

Leave a mission card in the pigeon hole of participating staff.

Staff should try to incorporate said mission into one or more lessons throughout the week.

Once achieved staff can either

- Return the mission card to named member of staff
- Pass the mission card on to another member of staff

Tip: Provide an information sheet with descriptions of the T&L ideas or include a description on the back of the card.

Follow up ideas

- Tick off their successes on a centrally held mission chart
- Provide evidence for a T&L display, evidence folder or T&L blog
- Feedback on missions perhaps as part of a T&L display or newsletter
- Share T&L ideas
- Set others T&L challenges

Add your own challenges to the blank cards before printing or with a whiteboard pen once laminated.
